

Data Sheet for Monon Private Varnish car

Name	Identification	Manufacturer	Type	Status
Monon	8030	Pullman	Private	Operational

The Monon Private car was built in 1924 and renovated in 1988. All mechanical equipment has been updated. Originally built as the last car of the Great Spirit line by Pullman. It was business man, Leonard Brown's private car. The Porter's area has been done away with to expand the kitchen and dining area. The car boasts a large observation area and is in very good condition.

Reference # 8030.
